Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

Mr Holland called because the restriction requirement of 09/24/02 referred to claims that had been cancelled. Upon retrieval of the file, it was found that the preliminary amendment had not been entered. The corrected restriction requirement should be between: Group I, claims 85-116, 119-138, a method of delivering dermally; and group II, a device for delivering dermally, claims 117, and 118. Applicant will be consulted for election, while the case is taken to the clerical department for entry of the preliminary amendment. Applicant will then respond by either fax or mail.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)
